## Take the express route of music learning!

Pick up all the essential guitar skills in just 2 days.

A revolutionary programme specially designed for those who cannot commit to weekly lessons and want to teach themselves at their own time and own pace.

**THE** incorporating The Hark Experience™

**HARK** music

Guitar ExpressWay™ takes you through a 2-day journey to develop your guitar skills, strengthen your music sense and build your on-stage confidence. Through the programme, you will gain all the essential knowledge and skills to be a self-directed guitarist! Developing your guitar skills and playing your favourite songs at your own time and own pace is now possible!

## What You'll Experience in the 2 Days...

- Gain a holistic understanding of guitar playing through streamlined theories & concepts
- Challenging & effective exercises to accelerate your learning process
- Lots of exciting activities to ensure learning process is fun and effective
- Live music performances by professionals to keep you inspired
- Interesting games & quizzes to help you learn with ease
- Topics you will learn:
  - Introduction to the "6 Strings"
  - Music Theory Essentials
  - Rhythm and Feel Training
  - Corrective Fingering
  - Chords Applications
  - Singuitarng (Strum & Sing)
  - Accompaniment Styles (20 patterns of Strumming & Plucking)

## We continue to support you after the 2 days!

## This Programme Is Definitely For You If You...

- Want to teach yourself at your own time, own pace.
- Can't commit for weekly lessons for long term.
- Want to experience a breakthrough in your musical achievement.
- Want to know more like-minded friends.
- Want to stay in touch with your music passion constantly.

## Learner's Experience

"The most valuable lesson I gained from completing the course was to be totally committed to achieving my personal objectives set, despite all difficulties."

Amy Ng

"This is a very good course because it starts from the basics of music, to handling of a guitar & showmanship."

Paul Wong

"I liked the course structure and the allocation of time for the various sections because it covers every aspects to be a self-learning guitarist."

Keljin Chow

"Thanks for the opportunities to build my confidence and guitar skills. Amos has been a great instructor & his sharing session really enhanced and provided a big progress to my guitar learning!"

Ricky Teo
