

THE PopPiano

Incorporating *The Hark Experience*™

Play from your heart;

Is that all you need to connect with music?

The HARK Pop Piano Course provides you with an easy and efficient way to pick up essential piano skills. Incorporating *The Hark Experience*™, you will grow to be a versatile pianist and ultimately, be able to teach yourself.

HARKmusic

THE PopPiano

Incorporating The Hark Experience™

FOUNDATION

- Introduction to the "Blacks & Whites"
- Music Theory Essentials
- Rhythm and Feel Training
- Chord-Melody Concept
- Basic Chord Construction
- Chord Inversions
- Voice leading Principles
- Accompaniment Styles Part 1
- Student's Performance Evaluation (SPE)

1

What You Can Achieve

- ✓ Play basic chords and accompaniment styles – all achievable in just 4 lessons.
- ✓ Understand the concepts of chord-melody playing and learn without reading 5-lines scores!
- ✓ Acquire the ability to play as you sing or with another singer.

Learner's Experience

"Hark Music has really rekindled my passion in playing the keyboard/piano. They teach music in a systematic yet enjoyable way, making lessons fun and interesting."

Yeo Hwee Bin

"At the end of the course, one can definitely self-teach to further understand music. After all, learning is a life-long process! "

Joel Ong

"My first impression of Hark Music is that the environment gives me a cozy feeling and the facilities are well equipped too."

Lilian Lim

"Hark Music is a good learning ground especially for beginners with no musical background."

Chan Yong Kang

EXPRESSIVITY

- Expressive Playing
- Relative Pitching Concept
- Chord Voicing
- Rhythmic Fill-ins
- Basic Chord Improvisation
- Song Arrangement
- Accompaniment Styles Part 2
- Student's Performance Evaluation (SPE)

2

What You Can Achieve

- ✓ Add dynamics and feel for a more colourful and impressive presentation.
- ✓ Decorate and enhance your playing with rhythmic colours.
- ✓ Create layers through variations of accompaniment styles.

VERSATILITY

- Harmonised Melody
- Syncopated Groove
- The Bass-line
- Melodic Embellishments
- Identifying Chords by Ear
- Analysing Current Hits
- Advanced Chord Improvisation
- Accompaniment Styles Part 3
- Student's Performance Evaluation (SPE)

3

What You Can Achieve

- ✓ Assign appropriate musical ornaments and syncopated groove to decorate a song.
- ✓ Understand concepts and effects of harmony to create various musical moods.
- ✓ Create your own improvisation and exercise creativity in your piano playing.

Duration For All Stages: 6 months

Weekly Lesson: 1 Hour
